
Meteor Crush VR Full Crack [addons]

Download ->>> <http://bit.ly/2SJ7yIj>

About This Game

In the 2083 AD, a giant asteroid hit Mars and destroying the planet.
The debris are heading towards our planet and threaten its existence.
Crush their advance and prevent the meteorites to crash into our planet.

Use your controllers to hit the meteors and crush them
Be careful though, the longer you play the faster they become
Each meteoroid that passes you will reduce your HP

Be prepared for fast paced arcade style gameplay
with unlimited playtime, great music and sound effects

Compare your score online and become the best meteor crusher for our planet.
